Mandy's Famous Salsa (THM FP)

Makes 8 cups.

Ingredients:

- 1 (28oz) can of diced tomatoes
- 2 (10oz) can of diced tomatoes and green chilies (we prefer Rotel Original)
- ½ yellow onion
- 3 garlic cloves (or 1 Tbsp of minced garlic)
- 1.5 tsp mineral salt
- 1/2 tsp black pepper
- 2 Tbsp lime juice
- Fresh cilantro

Instructions:

Place all ingredients into a blender and blend until well mixed. Serve with your favorite blue corn or baked tortilla chips!

Tastes best after resting in the fridge overnight.

Notes:

This makes a very smooth salsa. If you would like a chunky consistency, you can dice all the ingredients separately and mix together.
